SPEAKERS

Dr. John Russo is a graduate of The Ohio State University College of Dentistry. He completed his periodontal training and earned a Master in Health Sciences degree from the Medical University of South Carolina. Dr. Russo is a Diplomate of the International Congress of Oral Implantologists. He is in private practice in Sarasota, FL and is a clinical assistant professor at the Medical University of South Carolina in the Division of Periodontics. He is an author and an international lecturer on bone grafting and dental implant surgery.

Dr. Rick Ferguson has been involved in teaching implant dentistry for the last 22 years on topics including treatment planning, case selection, surgical placement and restoration, bone grafting Computed Tomography, surgical guides and management of complications. He maintains a private practice with his wife Dr. Katherine Ferguson in Florida emphasizing dental implants and where they also teach a live surgery continuum with the University of Florida. Most recently Dr. Ferguson has been instrumental in developing several low cost 3D printers for dental use including workflows for in office fabrication and use of static implant placement guides.

Dr. Robert W. Emery is a Board Certified Oral and Maxillofacial Surgeon in private practice in Washington, D.C. Dr. Emery began his dental training at the University of Illinois in Chicago. He subsequently completed a General Practice Residency in New York at LIJ and finally completed his Oral and Maxillofacial Surgery training at the University of Maryland and Shock Trauma. Dr. Emery has a special interest in image guided surgery and implant dentistry speaking both nationally and internationally. He has published numerous articles and book chapters. Dr. Emery received the Nobelpharma Oral and Maxillofacial Surgery Research Award and Grant, from the Oral and Maxillofacial Surgery Research Foundation. He is also actively involved in numerous research and development projects with emphasis on Dynamic guided surgery and 3-D vision systems. He is a founding partner of X-Nav Technologies LLC. Presently he is the Director of the Capital Center for Oral and Maxillofacial Surgery, The West End Surgical Center, Senior Attending Surgeon at the Washington Hospital Center, and Chief Medical Officer of X-Nav Technologies.
